

BBQ

Back Beliefs Questionnaire

The following is the currently available localised versions of the BBQ.

<u>Country</u>	<u>Language</u>
----------------	-----------------

UK	English
Iran	Farsi
Turkey	Turkish
Italy	Italian

If the language version you require is not listed please contact InSpired Health Outcom

Updated 25/09/2025

Notes:

Farsi (Iran) is for lower back pain. As of Feb 2025 translation undergoing validation.
